Go for more Difficult Compositions (surprised) কতটা চমকিত হবেন? (Hey you!) কেমন হবেন? (When did you come) কখন? (Come on/ welcome!) কেমন? (how did you come) কখন? (Come on/ welcome!) কেমন? (how long after I see you), কতটা দেরি? (how long after I see you), কতটা দেরি? (today itself) আজই? (yes tomorrow, do you have any problem?) হ্যাঁ! (no, nothing) কিছুই? (just roll it out) কেমন? (well), (right away) সোজা? (so it doesn't matter) (Latifa stands at the door. Standing and watching him) (Wearing black pajamas, black green border over shirt) (Fluttering silently) (Are you just attached with television, or something else?) (to honour the honourable one) (Is that why Latifa has left Dhaka without giving him any news?) (wonderful face) (tilted her head) (Latifa's head tilts whenever she pays attention to something) (posture) (familiar) (how much) (view) (gentle breeze) (adores her hair tied) (utterly dumb) (babar used to aks her?) (what does it mean?) (why didn't she even come?) (dragging the screen)
